Referee Profile: Maggie Farrelly

19 Aug 2016

We couldn't have a match without them but they are the least recognised people on a football pitch so starting with history maker, Maggie Farrelly, we are going to introduce our referees through their individual profiles!

Name: Maggie Farrelly

County: Cavan

When did you start refereeing? 2006

What do you think is the toughest part of refereeing? Getting a hot shower after a game...

What is your favourite aspect of refereeing? People you meet, new friends you make.

If you could change one thing about refereeing what would it be? Nothing to change
